

### Pupil Premium Impact 2014-15

Pupil Premium funding exists so that children who are eligible for the school payment close the gap academically between them and their non-pupil premium funded children.

During the last two years the impact of funding has been as follows:

	2015 Pupil Premium school	2015 Pupil Premium National	2015 school	Comments
Achieving Phonics Screening Test Y1 (4 children)	50%	66%	66%	In comparison to 2013-14, the % of children achieving the phonics test has increased, but is still lower than national. This remains a focus for 2015-16
Achieving Phonics screening test Y2	100%	84%	84%	In year 2, as with other years, the school has caught up with national figures and has surpassed national
KS1				In KS1 – disadvantaged pupils do extremely well. APS is well above national and above the cohort. All pupils achieve 100% above L2
APS PP RWM	17	14.8	16.1	
L2+Reading	100%	82%	95%	
L2+ Writing	100%	77%	95%	
L2+ Maths	100%	88%	95%	
KS2				
Level 4 RWM	67%	70%	76%	Pupils achieve at or close to national average
Level 4 Maths	67%	80%	93%	Pupils have not achieved so well in Maths and this is a key focus in 2015-16
Level 4 Reading	100%	83%	93%	Pupils have achieved above national
Level 4 Writing	100%	79%	76%	Pupils have achieved above national
Level 4 GPS	100%	71%	86%	Pupils have achieved above national

Expected progress Reading	100%	88%	100%	Pupils have achieved above national
Expected progress Writing	100%	91%	100%	Pupils have achieved above national
Expected progress Mathematics	67%	86%	79%	This remains a focus in 2015-16
