

Apple News No 28

31st March 2017

Dear Parents and Carers,

First we would like to thank Miss Hodges for all her help and support this term and wish her luck in her future teaching career. Today we presented her with some special gifts and explained why we were so sad to say goodbye to her.

The highlight of our week was definitely our trip to Cromer Museum. We behaved beautifully, asked really good questions and learned lots. Both children and adults felt the experience was very worthwhile. We have practised recounting our trip using the attached story map.

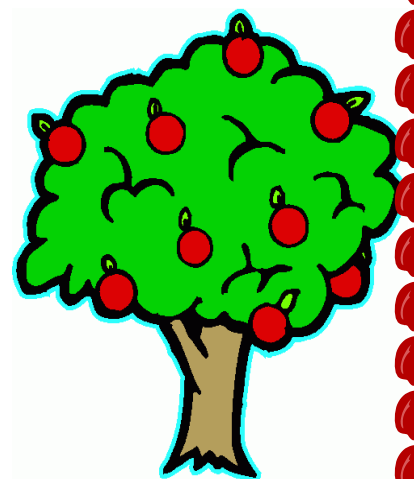

Over the last couple of weeks we have been very busy completing lots of assessment tasks. The good news is that we are closing the gaps in reading so children are much closer to achieving age related expectations.

We are also on track to have a fabulous set of results when we do our phonics screening check in June. In maths we have completed two papers, one on 'arithmetic' and one on 'problem solving and reasoning'; we have shown that we are becoming very logical thinkers and super problem solvers.

After the holidays we will be learning a new oral story 'The Three Billy Goats Gruff' and having lots of fun thinking about trolls.

Have a lovely break and a well-deserved rest – the Apple Class staff certainly intend to!

Have a great weekend!

Mrs Rugg, Mrs Powell, Mrs Mason, Miss Forde & Miss Hodges
